1963

THE PRESENCE

A factory Cabriolet.

An open Mercedes with a story of its own.

Ivory, chrome and unmistakable character.

220 SE/b

THE FINISH

Ivory and chrome.

Made for the open road.

FACTORY CABRIOLET

THE INTERIOR

Red leather.

The leather remains largely original.

Its original Cognac colour was changed to red during the earlier restoration.

COLOUR WITH HISTORY

A genuine factory Cabriolet.

Swiss car, third ownership and a traceable 108,500 km. Around 1,000 km per year and an earlier restoration are traced in a folder of 1980s photos, invoices and receipts. The largely original leather was recoloured from Cognac to red during that work. We offer an original factory-built Cabriolet, not a converted coupé: the W111 at its rarest.
