Opel Commodore GS/E

COPPER BROWN · BEIGE CABIN

SWISS CAR · 1973

An Opel with real character.

This GS/E is a Swiss veteran with an unwelded body. A scarce six-cylinder sports saloon.

We acquired it again from a collector who had bought it from us. Its honest patina adds to its presence.

A PERIOD CABIN

A collector's return.

We sold this GS/E to a collector and later had the chance to acquire it again. This Swiss veteran has an unwelded body and presents with honest patina. As a GS/E, it is virtually unique in Switzerland. Its 2.8-litre six and automatic transmission make an easy-going, distinctive cruiser. It presents strongly in appearance and mechanical feel.
